Dear Resident:

This letter is your invitation to attend the SBHOA Annual Meeting.

This year we decided to change the meeting location closer to our community. The meeting will be held at Troop 7 Barracks, 19444 Mulberry Knoll Road. It is five minutes away down Cedar Grove Road to Mulberry Knoll go left and the Barricks are up the road on the right. There is plenty of parking and the doors open for registration at 9:45 am. You must be a resident in good standing to attend.

Enclosed are:

- Proxy for the Annual Meeting
- Annual Meeting Agenda
- Bios of the new HOA Board

Your participation is important. The Board wants you to come and hear about what is going on in and around your community, meet the new HOA Board directors, ask questions, share ideas, address issues, and spend time with your neighbors. We had a great year in Sandy Brae and your participation will help the Board better plan for our future.

Thank you and looking forward to seeing you at the Annual Meeting.
